

SELECTOR SWITCH

Detailed Product Description

Selector Switch : (XB4– BD21) - Two (2) position
 : (XB4– BD33) - Three (3) position

Product Description

Type : XB4– BD21 & XB4– BD33

Description: 22mm Selector Switch

Application and Main Technical Parameters

Mounting Size	: 22mm
Color	: Black (BL)
Operational Voltage	: Not to exceed more than 480VAC
Operational Temperature	: -25 to +55
Operational Humidity	: 45% to 90%
Pollution Grade	: 3
Protection Grade	: IP65
